## Getting to the CNSI Building from the Parking Booth

As you head east, you can take the stairs that are between the Engineering building and Parking lot 9. They are rather steep and there are a lot of them.

You can also enter Lot 9 and take the elevator to the top level.

On the top level, there is a bridge on the left side of the structure that connects you to the Court of Sciences. Go around to the right to the front entrance of the building. (See blue line and arrow at right.)
